Governors' Annual
Report for Parents
Summary Report
Sept 2019-July 2020

**ANNUAL GOVERNORS' REPORT TO PARENTS
ST PETER'S CHURCH IN WALES VOLUNTARY CONTROLLED PRIMARY SCHOOL**

This report follows the guidance offered in "National Assembly for Wales Circular 15/01"

MEETING TO DISCUSS THE REPORT:

During recent years, in schools across the country, these meetings to discuss the Annual Governors' Report to Parents have been poorly attended. As a result of the School Standards and Organisation (Wales) Act 2013, a school governing body is no longer required to hold an annual parents meeting. Please note the Governors' Annual Report only includes information on the academic year from September 2019 to July 2020.

DISTRIBUTION:

It is appreciated that producing and distributing the full annual report to parents can prove costly for schools. The Regulations therefore allow for schools to make available the full report only to those parents who request it, and to issue a summary report for distribution to all parents.

A message from Richard Huxley –Chair of Governors

As you know, this year has been a challenging one for everyone as a result of Covid 19. I would like to thank all staff who contributed to the provision of teaching and support to those pupils who were in school and those learning at home. I was involved in the preparation of the Risk Assessment and I want to take this opportunity to thank the Headteacher and staff and all those who contributed to that task to enable the school to be and remain a safe place for all involved in the life of the school.

I would like to thank teaching staff, cleaning and caretaking staff, canteen staff, volunteers, governors, parents and the PTA who have worked hard in these difficult times.

There were still many successes to celebrate, notably the fifth consecutive year of being awarded the Eco Schools' Platinum Award, following external assessment in early January and receiving the Cymraeg Campus Bronze Award after 2 visits from external assessors in January and February. We continue to work on our submission for the Healthy Schools National Quality Award but this has been delayed due to current restrictions linked to Covid 19.

Government timescales for the introduction of the New Curriculum for Wales remain. This new curriculum offers the opportunity for the children to become confident independent learners whilst being supported by the core curriculum to help to shape their successful futures. Myself and other governors in conjunction with the teaching staff and GwE (the North Wales Regional Improvement Service) have carried out regular visits to the school involving Learning Walks and Book Scrutinies to look at specific areas. This enables the opportunity to see how the new curriculum is taught within the classroom and gain feedback interact from the children and staff. The use of different forms of technology has been more important than ever this year in supporting home learning.

The governing body continues to support St Peter's School strong Christian ethos. We seek opportunities to strengthen links with the Church supporting new school Christian initiatives.

We wish the children every success for 2020/21 whether continuing in St Peter's or their chosen High School

Richard Huxley

ATTENDANCE

Parents, Schools and L.E.A.s share legal responsibilities in respect of school attendance.

A child may be absent on any day:

1. When prevented from attending by sickness or any **unavoidable** cause.
2. Exclusively set apart for religious observance by the religious body to which his/her parents belong.
3. On the grounds that suitable transport has not been provided, and the school is not within walking distance.
4. Permission to take holidays in term time is granted at the discretion of the Headteacher. The Wrexham Council Authorisation Form should be completed at least 2 weeks prior to departure. Fixed penalty notices can be issued to families of children who have a high level of unauthorised absence.

By law we have to tell you about authorised and unauthorised absences. **However this has been suspended this year due to the Corona Pandemic.**

Attendance at St. Peter's has been good; however, we need the support of every parent if we are to make this excellent. Punctuality is also very important.

We continue to request that parents ensure non urgent medical appointments, are taken after school and **if possible that family holidays are not taken during term time.**

Certificates are awarded to pupils for excellent attendance each term and over the full academic year. We work closely with our Educational Social Worker, Debbie Thomas, to further improve attendance.

ASSESSMENT

Please note usual assessment procedures and requirements have greatly changed due to the partial closure of school in the Spring and Summer Terms.

Teachers carry out their own continuous assessment of children throughout the year. National formal assessments (Baseline Assessment) are made at the start of each school year for nursery and reception children. This gives teachers and parents an indication of where their children are when they start full time education. It also provides the school with information to monitor progress throughout foundation phase. At the end of Year 2 (Foundation Phase) and Year 6 (Key Stage 2) formal teacher assessments take place.

In accordance with reporting regulations, the school presents a summary of the school results at the end of both Foundation Phase and Key Stage 2.

- A typical 7-year-old will be assessed as Foundation Phase outcome 5. This standard is equivalent to a National Curriculum level 2 in the previous system.
- An assessment of out come 6 is only achieved by a small number of children by the age of 7. This standard is equivalent to a National Curriculum level 3.
- A typical 11-year-old will be on level 4.
- A level 5 is only achieved by a small number of children at the age of 11.
- Most pupils will move to a new level every two years approximately.
- At any one-time pupils are likely to reach a higher level in some areas more than others.

The interpretation of school results is a complex matter and is only one indicator of the quality of education provided at the school.

Please note, due to the impact of the corona epidemic on schooling and assessment, this is the most recent data available.

TARGET SETTING

As a school, we continually strive for improvement. We see the need to set specific and realistic targets which are attainable but challenging. We value the individuality of every child and aim to set individual targets as well as placing an emphasis on specific cohorts of children. The school derives its pupil targets from on-going teacher assessment, supported by standardised tests in English and Mathematics. Our targets are regularly monitored, both internally and by GwE, the North Wales Regional School Improvement Service, to ensure that they rigorously reflect the abilities of specific cohorts of children. Targets are set on pupils achieving outcome 5 or above in Foundation Phase and pupils achieving level four or above at KS2 – such levels being the expected attainment for these specific year groups. It is also important to take note of a child's academic starting point when setting targets, mindful that not all pupils enter school with the same skill set.

WRAPAROUND CARE

In response to parental feedback we have made improvements to our out of school childcare. Nursery age pupils are able to access before and after school clubs. We have also taken advantage of the Welsh Government Free Breakfast Initiative, offering children a healthy meal at the start of the school day and enabling parents to get off to work promptly, in the knowledge that their child is happy and well cared for.

SCHOOL PROSPECTUS

Information about school is shared with parents and prospective parents in our prospectus. This is reviewed on an annual basis to reflect changes and developments in school life. We are always looking for ways to improve our home-school communication. For several years now, for example, we have sent newsletters home via email. Our website, (www.stpeters-pri.wrexham.sch.uk) links directly to our St Peter's 'app', bringing notifications of updates to your smart phone. Details of how to download the app are on the website. We also have a very popular school 'Twitter' account which is updated regularly with a selection of school news and photographs. We hope this offers parents and families an insight into our busy school day! You can follow us on @stpetersrossett

COMPLAINTS PROCEDURES -summary

Informal Stage

If a person has a complaint relating to the school, she/he should make it known to a member of staff or a Governor, in writing or verbally.

If the complaint is not resolved to the satisfaction of the complainant, she/he is entitled to make a formal complaint.

The Formal Stage

The complainant makes a formal complaint in writing to the Headteacher.

The Complaints Officer will then investigate the complaint and reach a decision as to what action, if any, should be taken. However, if the Complainants Officer regards the complaint as sufficiently serious or urgent, and she/he is not the Headteacher, she/he can refer the matter to the Chair of Governors who can delegate the investigation to a committee.

Once the Complaints Officer has reached a decision as to what action, if any, should be taken, he will communicate it in writing to the complainant.

Appeal to the Governing Body.

If the complaint is not resolved to the satisfaction of the complainant, she/he is entitled to appeal to the Chair of Governors.

The school has policies for all curriculum areas and for a wide range of aspects of school management. The school has a policy for disability equality and accessibility, which is available upon request.
