Dear Foundation Phase Parents,

13 5 21

The PTA are planning to hold a sponsored PE obstacle course to raise funds for our school. This event will take place on Thursday May 27th during the morning for nursery and reception children and during the afternoon for years 1 and 2. The format will be similar to the 'Reindeer Training' that took place at the end of the Autumn Term. Each class will have a 20 minute session outside in which to complete their laps of the course. Monies raised will be spent on IT hardware and outdoor equipment.

The course will be set up on the school field and will be supervised by school staff. There will be a variety of obstacle for the children to run/walk between. We would love it if every child could try to get at least one sponsor for this event. However, please be assured that we would, of course, not stop a child from participating if they had not been able to gain sponsorship. Children's enjoyment and well-being is the most important thing.

In December, our fastest 'reindeers' dashed around the course around 10 times. We want all children to participate in the way they feel most comfortable so for some children this may be walking. We have set a maximum number of laps as 15.

Please could children come to school dressed in sportswear on this day. It does not need to be school PE kit. Please ensure they have comfortable trainers and bring a water bottle. Please note children may get muddy, if the weather has been wet and they need to crawl under some obstacles. If the weather has warmed up by then you may need to send your child with a cap/hat and apply suncream before school.

Yours Sincerely,

Helen Pritchard

PTA Sponsored Run - Child's Name.....Class.....

Your Name	Amount per lap- max 15	Or Total donation	Paid

Please send monies (cash/ cheques made payable to St Peter's PTA) back into school as soon as possible after the event or transfer directly to PTA bank account
