

Dear Parents,

A 'Community Cupboard' project has been started in Rossett by Mr. and Mrs. Marshall. They have already been doing lots of good work, and getting food boxes out to those in our locality who need them, for some time but this has now become an officially recognised charity. The 'Community Cupboard' gets donations of fresh food to share out but also gives out dried and tinned goods, as well as toiletries.

Here at St. Peter's, we want to give the project as much backing as possible so we are having a non-uniform day on Friday 17<sup>th</sup> February. All that we ask for in return is donations of dried goods/tinned goods/toiletries which we can donate to the community cupboard. In these challenging times we feel that it is really important to support such a local charity and help to make sure that all of our local residents have enough to eat. Whatever you can give, someone will be very grateful.

Please support this launch day by allowing your child to attend school on Friday 17<sup>th</sup> February in their own clothes and by sending a donation to help stock up the cupboard.

Once we have had this launch day at school, we will then have collection points permanently set up at the Playscheme entrance and in the school foyer. Whenever you have a little extra of any of these type of items, please send it in to our collection points and the 'Community Cupboard' will collect it from us.

We hope this will be a huge success for the charity and are proud that one of our school families has gone out of their way to do so much to help people in our area.

Diolch
