Here are just a few of our spaces...

Playdough

Home Corner

Small World

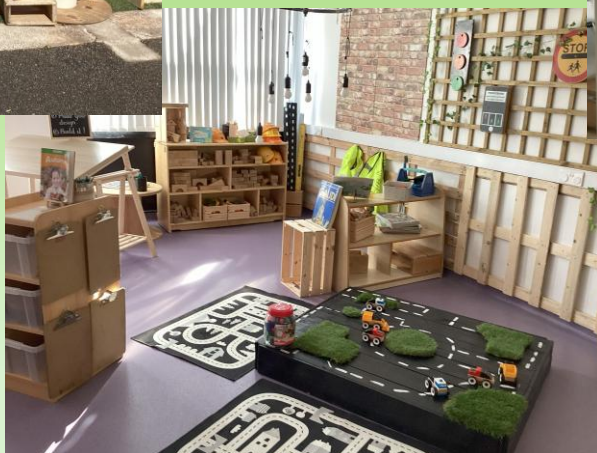

Book Nook

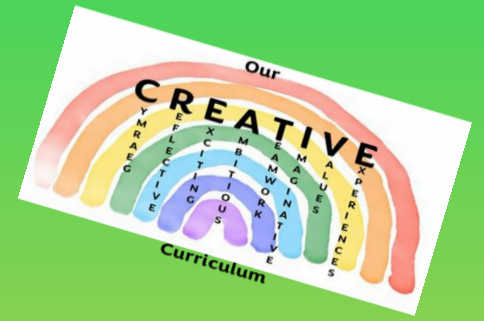

Our learning environments inside & outside provide lots of opportunities for the children to develop their gross motor and fine motor skills, as well as forming strong friendships based on respect.

## Our CREATIVE Curriculum in the Autumn term

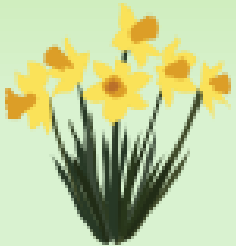

This term our topic is... **Changes.**

In Little Griffins we will be thinking about the natural world around them, looking for signs of Autumn and Winter.

They will describe what they see, hear, smell and feel whilst outdoors. They will make observations, draw pictures and ask questions about living things in our environment.

Our topic will run across all Areas of Learning with lots of opportunities for the children to work and play independently and with adult support.
