The four purposes are at the core of everything that we do, here at St Peter's CiW Primary school.

Everything our learners experience is in pursuit of the four purposes, and we strive to raise standards for all. They are the focus for all decisions on the content and experiences that we are developing as part of our curriculum.

We aspire for our children to be ready to lead fulfilling lives as valued members of our community and the wider society by focussing on the four purposes throughout our curriculum.

Staff felt...

We needed to make the 'Four Purposes' more child & user friendly for them to have the impact on our learners.

Staff felt...

Our pupils needed to be asked for their thoughts on the 'Four Purposes'

Staff felt...

The statements under each purpose needed to be relatable for our pupils.

Pupils felt...

There were too many statements under some of the purposes.

Pupils wanted...

The 'Four Purposes' to be visible in their classroom and school environment.

We listened to our pupils & staff.

To embed the Four Purposes into our school's learning environment & ethos & make them more personal to us, we have matched each Purpose to a character from our web design and prospectus.

We have given each character a name and made the statements more child friendly.

In class & around school we use these by asking the learners to think about how they have demonstrated one of the Four Purposes. We feel this gives our pupils a true understanding of what each Purpose means & how it can be relevant in school, in our community, and in wider society.
