Both inside and outside the classroom, our learning environments offer rich opportunities for discussion, collaboration, and independent work, while fostering curiosity and a sense of awe and wonder.

# This term our topic is... **Changes.**

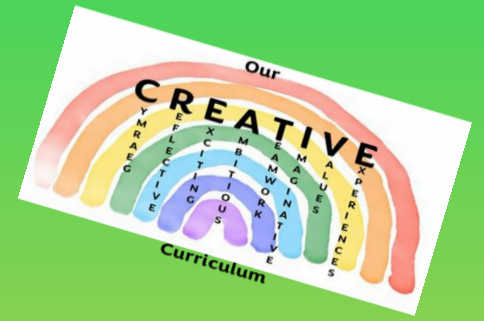

In Dosbarth Caernarfon, we'll be exploring the Victorian era, learning how everyday life in our country has changed over time. We'll discover what life was like for children our age during Victorian times and compare it to modern life today. Together, we'll think about how and why these changes happened and discuss whether they were for the better.

We'll take a closer look at the important people and clever inventions from Victorian times that changed the world
