

## Our CREATIVE Curriculum in the Spring Term (Bl. 1)

This term our topic is... **Discoveries.**

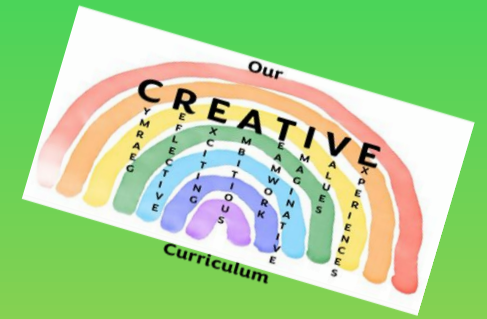

**As part of our whole-school topic “Discoveries”, Year 1 will be focusing on astronauts. Pupils will develop their understanding of what an astronaut is, what they do, what they need and how that impacts the world around them.**

**In Dosbarth Penrhyn we will explore famous astronauts and what they have discovered. Pupils will learn about rockets and how they work and will design and make their own. We will learn about the Solar System and the different planets that are in it.**

**St Peter's “A creative school family that shines together through God's love & grace.”**
