

Our CREATIVE Curriculum in the Spring Term (Bl. 2)

This term our topic is... Discoveries.

As part of our whole-school topic “Discoveries”, Year 2 will be focusing on the explorer Ibn Battuta and the many countries he explored in his lifetime. We will look in detail at many of these places and think about how journeys were recorded in the past and how they are recorded now. We will compare and contrast different landscapes and think about where in the world we would like to/ or have already explored.

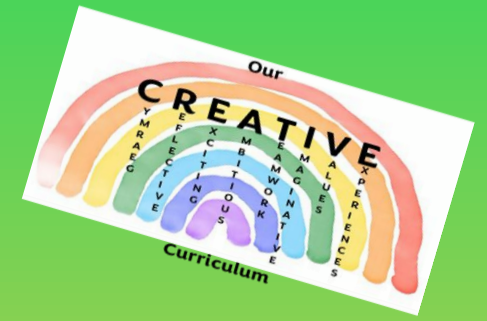

We will plot different places on the map and research how we could get to these places if we were to explore them now.

In Dosbarth Conwy we will also be investigating ‘Materials’ with weekly outdoor/ forest time sessions.

St Peter’s “A creative school family that shines together through God’s love & grace.”

Our **CREATIVE** Curriculum in the Spring Term (Bl. 2)

RVE

Christian Value: SERVICE

Christianity

Zacchaeus
