Inside our Classroom

Our classroom is a safe, creative space where all pupils feel comfortable to express their own ideas & are allowed to take creative risks.

St Peter's "A creative school family that shines together through God's love & grace."

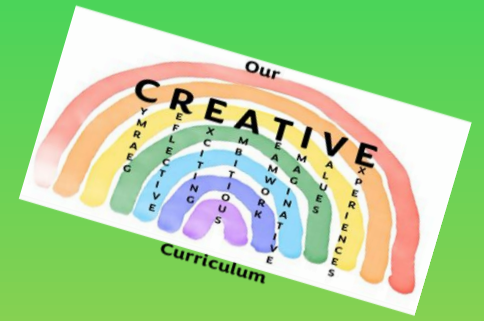

The learning environments inside & outside our classroom provide lots of opportunities for discussion, collaboration & independent working while nurturing a sense of awe & wonder.

Our CREATIVE Curriculum in the Autumn term (Bl. 6)

This term our topic is... **Changes.**

Our Learning in Dosbarth Beaumaris

In Dosbarth Beaumaris, we will be exploring the theme of **'Changes'**, investigating the significant changes caused by the events leading up to and during **World War II**.

Our topic will provide opportunities for learning across **all Areas of Learning and Experience**.

There will be plenty of opportunities for **pupil voice and pupil-informed contributions**, enabling children to follow their own questions, interests and ideas as our learning develops.

Alongside our World War II learning, we will also be exploring **seasonal change** and considering how the natural world changes throughout the year.

Through our weekly **Outdoor and Forest Learning sessions**, pupils will investigate our local environment, observe seasonal changes and explore practical ways in which we can **care for, protect and support nature**.
